Docket No. 98N-1265 99 MAY 26 AIO 56

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have spent a great deal of time
finding a place that even makes natural
prescriptions. Now the government wants to
control that. If products have been proven
safe, it's the consumer's business of what we
buy, how much, & where. Spend your
time & energy dealing with important issues
& stay out of our business!
